

## Amazing Dining...

**Unlike anything you've experienced before!**

UCLA's residential dining program is highly acclaimed and recognized as one of the very best among colleges and universities in the country today. Enjoy all-you-care-to-eat, buffet-style meals in our residential restaurants, centrally located within the housing facilities. Menu options include home-style favorites—like made-to-order omelets for breakfast, freshly baked deep-dish pizza, charbroiled burgers, and pasta and sauces made from scratch daily. Or try international favorites—like our sushi, Mexican, or Greek specialties—a bountiful soup and salad bar, mouth-watering desserts, a cappuccino bar, and all the beverages you can think of! You'll truly be amazed!
